BRIEF ABSTRACT OF LETTER

In Respect of the above c

Requests Sanction to the estimate for Rs 26,000/- and to the acceptance of the Lowest Tender of Sri Balakrishna Naidu Called for Provisionally

NOTES AND ORDERS

The Estimated Cost of the work is Rs 26,0
The Lowest Tender Rate is Rs 32,916/- which
Exceeds the Estimate by over ~~about~~ 20%

2) The Engineer has Reported that the Rates quoted by Sri Balakrishna Naidu (Lowest Tenderer) for Flooring with Cement Blocks Plain and as Regds Roofing are very high and therefore ~~this~~ materials may be made available departmentally.

8—First Sheet

WD 010865—GPB—20 000—2 8-50

File No T62/ of 1951.

General and Revenue Secretariat

3) The Municipal Council in its Resolution dated 24/25-1-51 has approved of the tender of Sri Balaveshwa Reddy, and while doing so has authorised the President to negotiate and fix up the rates on request of Hon'ble Members or to get it done as suggested by the Municipal Engineer. The Corporation has subsequently agreed to reduce the rate for slabs by Rs 10/- per square which the Contractor has stated has been accepted. Their Recall now a saving of Rs 1500/- on Reduction is given for asbestos sheet. It is not known what would be the total saving by the Reduction of the rates for slabs and what further reduction can be effected by supplying these materials (Both slabs & asbestos sheets) departmentally.

4) The Estimate is not sanctioned and to complete the work before the Rains sets in, the Council has called for tenders Immediately and also entrusted the work on anticipation of sanction of the Estimate & leaving the disposal of tenders without prior sanction is irregular. The tender of Sri Balaveshwa Reddy is also technically defective as the rates are not quoted in words

7634/ml

Construction of Vegetable Blocks of open platforms type at the Krishnarajendra Market Davangere city

5) It is therefore for orders whether a detailed Report may be called for on all the above points or the estimate and the tenders sent to the Chief Engineer for Scrutiny and Remarks

Subject - Construction of Vegetable Stalls of open Platform Type in Krishna-Rajendra Market-Davangere City-Sanction of the Estimate and Tender-connected with the work

==========

In forwarding herein in Original the entire file of correspondence received from the Municipal Engineer, Davangere City Municipality with his report No M E G C 28/51-52 dated 23rd April 1951 on the above subject, I write to state that after the completion of the work connected with the construction of the New Vegetable Market consisting of 58 Stalls in the rear blo the need to construct the open platform stalls was keenly felt

With a view to take up the work on hand urgently, an estimate for Rs 26,000/- was got prepared for the purpose as per type design enclosed for favour of reference Simultaneously, tender was also called for in this behalf The two tenders received from the * Marginally noted persons together with the Estimate prepared in this respect were placed before the Municipa

	Tender Amount Offered
1 Sri Balakrishna Mudaliar Contractor ...	Rs 32,916/-
2 " G.V Thimmaiah	Rs 33,176-4-0

Council for acceptance at the meeting convened for the purpose on 24/15th January 1951 vide copy enclosed for favour of refere

Since the tender as a whole of Sri Balakrishna Mudaliar is the lowest, the Municipal Council accepted it As it was opined by the Municipal Engineer that the rates in respect of stone pillars and asbestas sheets could be reduced, the Council authorised the President to get the rate, reduced by personal - negotiations with the tender contractor

In regard to the high rates tendered by Sri Mudaliar in respect of item No 6 and 9 as embodied in the consolidated list for stone slabs flouring and providing Roofing with asbestas sheets, it is to be stated that as the tenderer Sri Balakrishna Mudaliar has since agreed to reduce the rate for slabs by a reduction of Rs 10/- per Square i e 125-10 = Rs 115/-, his offer in this respect is accepted in pursuance of the Council resolution dated 15-1-1951

With regard to the other item Viz for providing asbestas sheets for roofing, the contractor has not agreed to reduce the rate Hence his tender rate may be accepted considering the present market fluctuations

I am to state in this connection that this work under reference has been entrusted to Sri Mudaliar for its immediate execution in anticipation of obtaining sanction of Government as it is desired to complete these ~~pikk~~ stalls before the rainy season commences

I request you therefore, to kindly obtain early sanction of Government both to the Estimate and to the acceptance of the tender of Sri Balakrishna Mudaliar

The records with the detailed copy of the Estimates and

SUBJECT Construction of Vegetable Stalls of Open Platform type in Krishnarajendra Market, Davangere City- Sanction of the Estimate and Tender connected with the Work

762

With reference to your letter No L 1788 dated 24th May 1951 on the above subject, in the matter of intimating as to what would be the savings consequent on the reduction of the rates of slabs etc, I write to enclose herewith the report in original received from the - Municipal Engineer, in the matter and to state as follows -

The Municipal Engineer reported that since the Contractor Sri B N Balakrishna Mudaliar has agreed to reduce the rate by Rs 10/- per square, for item No 6 of the Estimate, in respect of supply of slabs, there would be probable savings of about Rs 610/- on this account That with regards the other item, Viz. as to what further reduction could be expected if supply of slabs and asbestos sheets is made - departmentally, I write to state that it is ascertained from the - Municipal Engineer that there would be probable savings of about Rs 3,995/- Since it is not feasible to supply asbestos sheets Departmentally due to scarcity of supply at control rates, the Council did not like the idea of taking up this responsibility This fact has already been stated in this office previous letter dated 27-4-1951.

With regard to the other point, Viz that the calling of tenders for works without sanction to the estimate and its disposal by the Council without obtaining previous sanction is rather irregular, I write to state that the Council was anxious to take up this work pending sanction of the estimate by Government and finish it before

ME 110/51-52

Submitted to the Municipal Commissioner

Regards to the point observed by the Secretary to the GOVT in his remark in para 1 of their letter, as to the probable reduction that is to be ~~excepted~~ expected by supply of slabs and asbestos sheets etc. It is submitted that since the contractor has agreed to reduce the rate by Rs 10/- per sqf for item No 6 of the estimate a probable saving of Rs 610/- is expected. With regards to the other item providing roofing with asbestos sheet, it is already been explained to the Government in Commissioner's letter dt 27th April 51, that, due to present market fluctuations that, tender rate already tendered by the Contractor might be accepted, as it is not feasible to supply of sheets departmentally at Control rates
